In 1874 Great Britain supplied the bulk of the cotton yarn needed by China and Japan. India sent to those countries in the year named only

1,000,000

of yarn. In 1891 India exported 165,000,000

pounds of cotton yarn to the same countries, displacing just so much English yarn. Free-trade does not capture new markets for England. It cannot even hold her old markets.

A platom of police was necessary to put-down the out-field of the Manager House of the His Manager House out Billy Young, a well known local welter-weight, in four rounds or forfelt 850. The fight began at 10:30, and Dixon not only did not knock out his man, but was getting the worst of the him a vicious blow on the jaw, which sent him recling against the ropes. Manager O'llourise leaped into the ring and seized Young. The house held 3,000 friends of the later. A wild seat when tup, and several men leaped acaked Dixon and his manager. The stage hands went to their relief, and a general mele ensued. The shouting in the theater could be heard a block away. The police were sent for and severely beaten. The rioters were unswerently beaten. The rioters were unswerently beaten.
